ACKNOWLEDGE OF RECEIPT OF NOTICE OF PRIVACY PRACTICES

*You may refuse to sign this acknowledgement.
I have received a copy of this office's Notice of Privacy Practices.

Print Name Signature Date

FOR OFFICE USE ONLY

We attempted to obtain written acknowledgement of receipt of our Notice of Privacy Practices, but acknowledgement could not be obtained because:

- Individual refused to sign
- Communication barriers prohibited obtaining the acknowledgement
- An emergency situation prevented us from obtaining acknowledgement
- Other (Please Specify) _____

WELCOME! We are delighted to welcome you to our practice and are pleased that you chose us to serve your dental needs. Our dental staff is committed to providing you with the best care possible. We believe the more you know about our practice and financial policies, the better we can serve you. Please initial each paragraph below, in the provided space after reading.

FINANCIAL POLICY

_____ If you do not have dental insurance, payment is due at the time services are rendered. For those procedures requiring multiple appointments, we request that half of the fee be paid when treatment begins, and the remaining half will be due upon completion of the treatment. We do not offer payment plans. For your convenience, we accept Visa, MasterCard, check, and cash. A \$25 fee will be charged for any checks that are returned for non-sufficient funds.

_____ **Any account balance remaining unpaid after 60 days, will I incur interest at the rate of 5% per month. If the balance remains unpaid after 90 days, the account will be turned over to a national collection agency, or to an attorney for collection.** In the event the account must be turned over for collections, the patient/guardian will incur these fees.

DENTAL INSURANCE

_____ As a courtesy to our patients, we will gladly file your primary dental insurance for you. If you are planning to file with a secondary policy, we will be happy to provide you with the necessary information to do so. **Please keep in mind that your insurance is a contract between you, your employer, and your insurance company and we are NOT a party to that contract.** Our relationship is with you, not your insurance company. For those procedures requiring multiple appointments, we request that one-half (1/2) of the fee be paid when the treatment begins, and the remaining half will be due upon completion of the treatment. We will accept pre-authorized claims as the second half of payment. **Failure of your insurance company to reimburse or respond within 30 days will result in us billing you directly.** Once payment on your claim has been received, it is your responsibility to pay any remaining balance on your account. **Account balances that remain unpaid after 60 days will incur interest at the rate of 5% per month. After 90 days, any outstanding balance will be turned over to a national collection agency or to an attorney for collection.** In the event that an account must be turned over for collections, the patient/guardian will incur any reasonable attorney fees.

APPOINTMENTS

_____ **OUR OFFICE REQUIRES 24 HOURS NOTICE IF YOU ARE UNABLE TO KEEP YOUR APPOINTMENT. FAILURE TO DO SO WILL RESULT IN A \$40 CHARGE PER HOUR AS SCHEDULED. DUE TO OUR OFFICE BEING CLOSED ON FRIDAY, THURSDAY IS CONSIDERED THE “24 HR. NOTICE PERIOD” FOR ANY APPOINTMENTS SCHEDULED ON A MONDAY. AFTER THREE (3) FAILED APPOINTMENTS (INCLUDES “NO-SHOWS” AND CANCELLED APPOINTMENTS WITHOUT PROPER NOTICE), YOU WILL BE DISMISSED FROM THE PRACTICE.**

** This is to certify that I, the undersigned, agree to accept full responsibility for the payment of all fees. I have read, understood, and agreed to the Financial Policy stated above, and know that it may be revised at any time.

NOTICE OF PRIVACY PRACTICES

Katherine E. Garrett, D.D.S, P.A.
9051 Strickland Road, Suite 131
Raleigh, NC 27615
919-845-4955

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

We respect our legal obligation to keep health information that identifies you private. We are obligated by law to give you notice of our privacy practices. This Notice describes how we protect your health information and what rights you have regarding it.

TREATMENT, PAYMENT, AND HEALTH CARE OPERATIONS

The most common reason why we use or disclose your health information is for treatment, payment or health care operations. Examples of how we use or disclose information for treatment purposes are: setting up an appointment for you; examining your teeth; prescribing medications and faxing them to be filled; referring you to another doctor or clinic for other health care or services; or getting copies of your health information from another professional that you may have seen before us. Examples of how we use or disclose your health information for payment purposes are: asking you about your health or dental care plans, or other sources of payment; preparing and sending bills or claims; and collecting unpaid amounts (either ourselves or through a collection agency or attorney). "Health care operations" mean those administrative and managerial functions that we have to do in order to run our office. Examples of how we use or disclose your health information for health care operations are: financial or billing audits; internal quality assurance; personnel decisions; participation in managed care plans; defense of legal matters; business planning; and outside storage of our records.

We routinely use your health information inside our office for these purposes without any special permission. If we need to disclose your health information outside of our office for referrals to dental or medical specialist we usually will not ask you for special written permission.

We will ask for special written permission under all other circumstances except those listed below.

USES AND DISCLOSURES FOR OTHER REASONS WITHOUT PERMISSION

In some limited situations, the law allows or requires us to use or disclose your health information without your permission. Not all of these situations will apply to us; some may never come up at our office at all. Such uses or disclosures are:

- when a state or federal law mandates that certain health information be reported for a specific purpose;
- for public health purposes, such as contagious disease reporting, investigation or surveillance; and notices to and from the federal Food and Drug Administration regarding drugs or medical devices;
- disclosures to governmental authorities about victims of suspected abuse, neglect or domestic violence;
- uses and disclosures for health oversight activities, such as for the licensing of doctors; for audits by Medicare or Medicaid; or for investigation of possible violations of health care laws;
- disclosures for judicial and administrative proceedings, such as in response to subpoenas or orders of courts or administrative agencies;
- disclosures for law enforcement purposes, such as to provide information about someone who is or is suspected to be a victim of a crime; to provide information about a crime at our office; or to report a crime that happened somewhere else;

- disclosure to a medical examiner to identify a dead person or to determine the cause of death; or to funeral directors to aid in burial; or to organizations that handle organ or tissue donations;
- uses or disclosures for health related research;
- uses and disclosures to prevent a serious threat to health or safety;
- uses or disclosures for specialized government functions, such as for the protection of the president or high ranking government officials; for lawful national intelligence activities; for military purposes; or for the evaluation and health of members of the foreign service;
- disclosures of de-identified information;
- disclosures relating to worker's compensation programs;
- disclosures of a "limited data set" for research, public health, or health care operations;
- incidental disclosures that are an unavoidable by-product of permitted uses or disclosures;
- disclosures to "business associates" who perform health care operations for us and who commit to respect the privacy of your health information;

Unless you object, we will also share relevant information about your care with your family or friends who are helping you with your dental care.

APPOINTMENT REMINDERS

We may call or write to remind you of scheduled appointments, or that it is time to make a routine appointment. We may also call or write to notify you of other treatments or services available at our office that might help you. Unless you tell us otherwise, we will mail you an appointment reminder on a post card, and/or leave you a reminder message on your home answering machine or with someone who answers your phone if you are not home.

OTHER USES AND DISCLOSURES

We will not make any other uses or disclosures of your health information unless you sign a written "authorization form." The content of an "authorization form" is determined by federal law. Sometimes, we may initiate the authorization process if the use or disclosure is our idea. Sometimes, you may initiate the process if it's your idea for us to send your information to someone else. Typically, in this situation you will give us a properly completed authorization form, or you can use one of ours. If we initiate the process and ask you to sign an authorization form, you do not have to sign it. If you do not sign the authorization, we cannot make the use or disclosure. If you do sign one, you may revoke it at any time unless we have already acted in reliance upon it. Revocations must be in writing. Send them to the office contact person named at the beginning of this Notice.

YOUR RIGHTS REGARDING YOUR HEALTH INFORMATION

The law gives you many rights regarding your health information. You can:

- ask us to restrict our uses and disclosures for purposes of treatment (except emergency treatment), payment or health care operations. We do not have to agree to do this, but if we agree, we must honor the restrictions that you want. To ask for a restriction, send a written request to the office contact person at the address, fax or E Mail shown at the beginning of this Notice.
- ask us to communicate with you in a confidential way, such as by phoning you at work rather than at home, by mailing health information to a different address, or by using E mail to your personal E Mail address. We will accommodate these requests if they are reasonable, and if you pay us for any extra cost. If you want to ask for confidential communications, send a written request to the office contact person at the address, fax or E mail shown at the beginning of this Notice.
- ask to see or to get photocopies of your health information. By law, there are a few limited situations in which we can refuse to permit access or copying. For the most part, however, you will be able to review or have a copy of your health information within 30 days of asking us (or sixty days if the information is stored off-site). You may have to pay for photocopies in advance. If we deny your request, we will send you a written explanation, and instructions about how to get an impartial review of our denial if one is legally available. By law, we can have one 30 day extension of the time for us to give you access or photocopies if we send you a written notice of the extension. If you want to review or get photocopies of your health information, send a written request to the office contact person at the address, fax or E mail shown at the beginning of this

Notice.

- ask us to amend your health information if you think that it is incorrect or incomplete. If we agree, we will amend the information within 60 days from when you ask us. We will send the corrected information to persons who we know got the wrong information, and others that you specify. If we do not agree, you can write a statement of your position, and we will include it with your health information along with any rebuttal statement that we may write. Once your statement of position and/or our rebuttal is included in your health information, we will send it along whenever we make a permitted disclosure of your health information. By law, we can have one 30 day extension of time to consider a request for amendment if we notify you in writing of the extension. If you want to ask us to amend your health information, send a written request, including your reasons for the amendment, to the office contact person at the address, fax or E mail shown at the beginning of this Notice.
- get a list of the disclosures that we have made of your health information within the past six years (or a shorter period if you want). By law, the list will not include: disclosures for purposes of treatment, payment or health care operations; disclosures with your authorization; incidental disclosures; disclosures required by law; and some other limited disclosures. You are entitled to one such list per year without charge. If you want more frequent lists, you will have to pay for them in advance. We will usually respond to your request within 60 days of receiving it, but by law we can have one 30 day extension of time if we notify you of the extension in writing. If you want a list, send a written request to the office contact person at the address, fax or E mail shown at the beginning of this Notice.
- get additional paper copies of this Notice of Privacy Practices upon request. It does not matter whether you got one electronically or in paper form already. If you want additional paper copies, send a written request to the office contact person at the address, fax or E mail shown at the beginning of this Notice.

OUR NOTICE OF PRIVACY PRACTICES

By law, we must abide by the terms of this Notice of Privacy Practices until we choose to change it. We reserve the right to change this notice at any time as allowed by law. If we change this Notice, the new privacy practices will apply to your health information that we already have as well as to such information that we may generate in the future. If we change our Notice of Privacy Practices, we will post the new notice in our office, have copies available in our office, and post it on our Web site.

COMPLAINTS

If you think that we have not properly respected the privacy of your health information, you are free to complain to us or the U.S. Department of Health and Human Services, Office for Civil Rights. We will not retaliate against you if you make a complaint. If you want to complain to us, send a written complaint to the office contact person at the address, fax or E mail shown at the beginning of this Notice. If you prefer, you can discuss your complaint in person or by phone.

FOR MORE INFORMATION

If you want more information about our privacy practices, call or visit the office contact person at the address or phone number shown at the beginning of this Notice.
